1.1 Functions and features

This USB to serial converter allows you to connect a serial device through the USB port on your computer. It is ideal for connecting a serial PDA, docking stations, and more. This adapter is fitted with a 9-pin serial connector and is compatible with Windows, Linux and Mac.

1.2 Packing contents

The following parts need to be present in the packing:

- EM1016, USB to Serial Converter.
- Cd-rom containing device drivers.
- Users manual.

2.0 Installing the hardware

To install the USB to serial converter, your computer must have one unused USB port. The USB to serial converter can also be used in combination with a USB hub; in this case you need to use a hub that comes with an external power supply, in order to ensure optimal results. Connect the USB cable to the USB port on your computer.

3.0 Installing the software

1. Place the enclosed CD-rom in the CD-rom or DVD station of your computer.
2. The CD-rom will start automatically.
3. Select your language.
4. Click 'Next'.
5. Select your Windows version.
6. Click 'Next'.
7. Follow the installation steps as displayed on your screen to finish the installation.

You can also start the wizard manually when the CD-rom does not start automatically. Go to 'Start', 'Run', typ 'x:\wizard\wizard.exe' ('x' is the drive letter of your CD-rom station) and press enter.

4.0 Frequently Asked Questions and other related information

6.0 Warning and points of attention

Due to laws, directives and regulations set out by the European parliament, some (wireless) devices could be subject to limitations concerning its use in certain European member states. In certain European member states the use of such devices could be prohibited. Contact your (local) government for more information about this limitations.

Always follow up the instructions in the manual*, especially where it concerns devices which need to be assembled.

Warning: In most cases this concerns an electronic device. Wrong/improper use may lead to (severe) injuries!

Repairing of the device should be done by qualified Eminent staff. The warranty immediately voids when products have undergone self repair and/or by misuse. For extended warranty conditions, please visit our website at www.eminent-online.com/warranty.

**Tip: Eminent manuals are written with great care. However, due to new technological developments it can happen that a printed manual does not longer contain the most recent information.*

If you are experiencing any problems with the printed manual or you cannot find what you are looking for, please always check our website www.eminent-online.com first for the newest updated manual.

Also, you will find frequently asked questions in the FAQ section. It is highly recommended to consult the FAQ section. Very often the answer to your questions will be found here.

7.0 Warranty conditions

The five-year Eminent warranty applies to all Eminent products, unless mentioned otherwise before or during the moment of purchase. After buying a second-hand Eminent product the remaining period of warranty is measured from the moment of purchase by the product's initial owner. Eminent warranty applies to all Eminent products and parts, indissolubly connected or mounted to the product it concerns. Power supply adapters, batteries, antennas and all other products not directly integrated in or connected to the main product or products of which, without reasonable doubt, can be assumed that wear and tear during use will show a different pattern than the main product, are not covered by the Eminent warranty. Products are not covered by the Eminent warranty when exposed to incorrect/improper use, external influences or when opening the service parts of the product by parties other than Eminent. Eminent may use refurbished materials for repair or replacement of your defective product. Eminent cannot be held responsible for changes in network settings by internet providers. We cannot guarantee that the Eminent networking product will keep working when settings are changed by the internet providers. Eminent cannot guarantee the working of web services, apps and other third party content that is available through Eminent products. Eminent products with an internal hard disk have a limited warranty period of two years on the hard disk. Eminent could not be held responsible for any data lost. Please make sure that if the product stores data on a hard drive or other memory source, you will make a copy before you return the product for repair.
