## 4 Port Switchbox USB 2.0 - rev1

Easily share one USB device with four computers!

### DESCRIPTION

The Eminent EM1019 4 port Switchbox USB 2.0 enables you to share one USB device with multiple computers. It is now possible to share a printer, digital camera or, for instance, a scanner with several users. The EM1019 Eminent Switchbox is easy to use: you can determine which computer can use the connected USB device with one push of the button. Enjoy your USB devices and let the EM1019 Eminent Switchbox do all the hard work!
