

150W Power Inverter 12V to 230V

Get 230V AC almost everywhere!

EM3991

EAN: 8716065271324

OVERVIEW

- 12 Volt DC to 230 Volt AC Power Inverter
- Plugs straight into your cigarette lighter
- Built-in USB charging port for Phone/MP3/Media player
- 150 Watt output power
- Easy installation
- 2-Year warranty
- Accessible helpdesk

SPECIFICATIONS

- 2 YEAR WARRANTY
- Continious Power: 150W
- Peak Power: 300W
- Input Voltage: DC 12V
- Output Voltage: AC 220-240V
- USB: DC 5V (Max 500mA)
- Sine wave: Modified
- Frequency: 50+/-3Hz
- Cooling fan: 6000 RPM
- Euro plug version: EM3991 / UK plug version: EM3991UK

SYSTEM REQUIREMENTS

Converter: 300Watt

150W Power Inverter 12V to 230V

Get 230V AC almost everywhere!

DESCRIPTION

With 150 Watt power, the Eminent EM3991 12V to 230V Power Inverter is a very high performance power inverter which you can use in many different situations. That makes the 150 Watt inverter a highly appreciated device! With the built-in USB port you can charge almost any USB device you want! Don't worry about the safety of your connected devices. The power inverter has several safety protection tools so all your expensive devices are highly protected.

150 Watt power

The EM3991 delivers 150 Watt continuous power with a peak power of 300 Watt. Many devices can be used with the EM3991 such as a LCD-TV, a media player (i.e. EM7180), a notebook, cool box, pump and many more.

Connect using CLA

Simply connect the EM3991 to the CLA (Cigarette lighter adapter) in your car, start the motor and you have your 230V power. When using a boat or mobile home, simply connect the Eminent inverter to your battery. That makes the EM3991 perfect for a large range of power solutions.

Built-in USB port

Thanks to the very handy USB port, you can also charge almost any USB device. Devices such as a MP3 player, mobile phone, navigation system, portable game console, tablet computer and many more can be charged.

Fitted with intelligent threefold protection system

The power inverter is equipped with an intelligent protection system. The EM3991 has an overload protection, a low voltage protection and a fuse is built in so you never have to worry about the safety of your devices.
