Wireless USB Adapter 300N

The ideal way to connect your pc or notebook with a wireless network!

DESCRIPTION

Do you wish to connect your desktop computer or notebook to your own wireless home network, your company network or your friends wireless network? The Eminent EM4580 Wireless 300N USB Adapter allows you to access a wireless network. Copying large files and streaming video is from now on an easy job.

The Eminent EM4580 Wireless 300N USB Adapter has standard 2T2R transmitters and receivers for price-efficient performance. You can also connect the Wireless USB Adapter to 54Mbps networks with 802.11g standard.

The installation of the Eminent EM4580 Wireless 300N USB Adapter is easy using the unique wizard on the enclosed CD-ROM. The Eminent Wireless USB Adapter is full of advanced security features (WEP, WPA, WPA2). You can connect to your secured network with just one push on the WiFi Protected Setup button! In this way your data will actually remain your data.
