USB to PS/2 Converter

Use your full size keyboard on your notebook

DESCRIPTION

The Eminent USB to PS/2 Converter allows you to connect a regular keyboard and a regular mouse to the USB port on your computer. Ideal if you wish to keep using the keyboard and mouse you are familiar with, with your new computer! The USB to PS/2 Converter will also come in handy when you want to connect a fullsize keyboard to your notebook or when you want to connect an extra set of keyboard and mouse to your computer system.
